

Fuck you niggers

Killer

I don't even know why I came here in the first place
'Cause I've never understood why a person would even need a psy
chiatrist
I mean obviously Travis thought I needed this so it's whatever,
ya know?

Do you believe in hypnosis, Mr. Yates?

Hell no!

Hahahahaha
Okay, Mr. Yates
Lay back and relax

Okay..

Let your eyes follow the pendulum
The pendulum, Mr. Yates, not my breasts

Oh, sorry 'n shit! eheh

Listen to the sound of my voice
Can you still hear me, Mr. Yates?

Yes

I want inside your thoughts
Tell me exactly what's on your mind

Just listen to me a second
'Cause it's all about you baby
Girl, I promise I'll never hurt you again
'Cause this is my last album
And I just want to be with you girl
And I'll never call you out of your name again
And I want you 'cause I love you...
Bullshit! I'm just playing y'all, come on!
