

## There's a Heaven

Tedashii

There's a Heaven for us  
And there's a Heaven for me, yeah  
There's a Heaven for us  
Good Lord let me be, yeah  
Good Lord let me see

Maybe I need new eyes  
Maybe I don't need one at all  
Welcome to your brand new life  
You lost everything just to gain it all

There's a Heaven for us  
I know there's a Heaven for me, yeah  
And there's a Heaven for us, yeah  
Good Lord let me be, yeah  
Good Lord let me see

There's a Heaven for us  
There's a Heaven for me  
There's a Heaven for us  
Good Lord let me be
