

I'm So Bitter

Teddy Geiger

Minutes turn into hours
And hours bleed into days
It's been years
Since the trouble you left me
And I wanna say

I'm so bitter
But I've seen better days
I'm so bitter
Is it the better man
That always walks away?

No phone call or even a letter
No words to cause me any pain
It's been years
Since anything could hurt me
Through this life
I'll fake my way

I'm so bitter
But I've seen better days
I'm so bitter
Is it the better man
That always walks away?
Watch me walk away

I'm so bitter
But I've seen better days
I'm so bitter
I'll be the better man
Watch me walk away

I'm so bitter
Watch me walk away
I'm so bitter
Watch me walk away
