

# Under the Blue

Teddy Geiger

Anything I'm looking for  
This dying boy would love to see  
Anything is possible  
Anything I'm reaching for  
Uncertainty come round my door  
Everything you want to find

Ooh, are they out there  
Are they out there  
Under the blue  
Yeah, out there  
Are they out there  
Could it be?  
Ooh, out there  
Are they out there  
Under the blue  
Yeah, out there  
Are they out there  
Could it be?  
Ooh-ooh, ooh

Somewhere I could stake my time  
And stay at peace with what I find  
Anything is possible  
Everything I see  
Polyamorous  
Tearing my heart out

Ooh, out there  
Are they out there  
Under the blue  
Yeah, out there  
Are they out there  
Could it be  
Ooh, out there  
Are they out there  
Under the blue  
Yeah, out there  
Are they out there  
Could it be?  
Ooh, out there  
Are they out there  
Under the blue  
Ooh, out there  
Are they out there  
Could it be?

Ooh  
Ooh  
Ooh  
Ooh
