

This One's for You

Teddy Pendergrass

You know I really don't think this song would ever sell
I don't think people would ever understand
You know I really don't sing it well
Huh, I try, somehow I just can't
Still I'll sing it every night, and I'll fight so hard just to
keep it in
This one's for you
This one's for you

I've done a hundred songs, from fantasy's to lies
But this one's so real for me, that I'm the one who cries
And I, sing it every night and I'll fight so hard to hide my tears
'Cause, this one's for you, this one's for you
This one's for you wherever you are
To say that nothings been the same, since we've been apart
This one's for all the love we once knew
Like everything else I had, this one, this one is for you, oh
Yes I've got it all it seems, for all it means to me
But I sing of things that I miss, things that used to be
And I, wonder every night, if somewhere somehow you might miss
me too
And knows I sing, I sing just for you, I sing for you

This one's for you, wherever I go, wherever I go
Say the things I know I should have said, things that you should know
This one's to say that all I can do, all that I can do
Is that hope that you'll hear me sing
'Cause this one, this one's for you, oh
This ones' for you wherever you are, wherever you are
Say that nothing's been the same, since we've been apart
This one is for you, wherever you are, wherever you are
To say that nothing's been the same, since we've been apart
Ah

I just wanna say that, I hope you all don't mind
You see 'cause I love you, love you, love you, love you, love you all
And to me it's sorta special, you see you've been so good to me
through the years
And yes you've been so good to me through all the tears
And I just wanna say that, this one, is for you

Yeah, this one is for you
Oh yeah, this one is (for you)
This one is for you (for you)
This one is for you
