

Necrocomicon

Teenage Bottlerocket

I went down to San Diego around July 31st
That's where I found something evil
That's where I found something curse

I though I saw fucking Yoda
I thought I saw Captain Kirk
And they were all out to get me
Yeah they had all gone berserk

For Necrocomicon
The comic book of the dead
The comic not to be fucked with
The comic not to be read
The Necrocomicon
