

Cells

Teenage Fanclub

The dead are stepping out tonight
The battle's lost without a fight

Breaking down cells
Breaking down
Breaking down no no no
Breaking down cells
Breaking down
Breaking down no no no

I don't preach and I don't pray
But I can feel the slow decay

Breaking down cells
Breaking down
Breaking down no no no
Breaking down cells
Breaking down
Breaking down no no no

Ever onward to the grave
I have no fear but I'm not brave

Breaking down cells
Breaking down
Breaking down no no no
Breaking down cells
Breaking down
Breaking down no no no

Breaking down cells
Breaking down
Breaking down no no no
Breaking down cells
Breaking down
Breaking down no no no

Breaking down cells
Breaking down
Breaking down no no no
Breaking down cells
Breaking down
Breaking down no no no
