

# Back in Your Head

Tegan and Sara

Build a wall of books  
Between us in our bed  
Repeat, repeat the words  
That I know we both said  
Relax into the need  
We get so comfortable  
Remember when I was  
So strange and likeable

I just want back in your head  
I just want back in your head  
I'm not unfaithful  
But I'll stray  
When I get a little scared  
When I get a little scared  
When I get a little

When I jerk away from  
Holding hands with you  
I know these habits hurt  
Important parts of you  
Remember when I was  
sweet and unexplainable  
Nothing like this person,  
Unlovable

I just want back in your head  
I just want back in your head  
I'm not unfaithful  
But I'll stray  
When I get a little scared  
When I get a little scared  
When I get a little scared  
When I get a little scared

I just want back in your head  
I'm not unfaithful  
But I'll stray  
When I get a little scared  
When I get a little scared  
When I get a little scared  
When I get a little

Run, run, run  
Run  
Run, run, run  
Run

I'm not unfaithful  
But I'll stray  
I'm not unfaithful  
But I'll stray  
I'm not unfaithful  
But I'll stray  
I'm not unfaithful  
But I'll stray

I just want back in your head  
I just want back in your head  
I'm not unfaithful  
But I'll stray  
I'm not unfaithful  
But I'll stray  
I'm not unfaithful  
But I'll stray  
I'm not unfaithful  
But I'll stray
