## Ten Years After

### Ten Years After Let's Shake It Up Lyrics

I'm glad to see you made it to the show tonight  
I know you live your rock & roll  
Rhythms gonna get you and make you feel all right  
Move it to your very soul  
You're working hard now it's time to play  
Time to let your soul be free  
Music gonna get you like the jungle drums  
Won't you rock & roll (it) with me

It's a fever burning  
Burning in my soul  
Let's shake it up  
Let's shake it up

Well I feel like working on some rock & roll  
The sweat dripping off my face  
Get the fire a'burning, shovel on some coal  
Time to - win the human race (put some heat in the place)  
I see your body moving I can feel the heat  
Lord how I love that rock & roll  
Feel it from my head to my feet

It's a burning fever  
Burning in my soul  
Let's shake it up  
Let's shake it up
