

# Why'd They Call it Falling

Ten Years After

I want you to know  
That I'd give you anything  
With you by my side  
I don't care what the future brings

That look in your eyes  
I guess you already know  
I'm here for you  
But I don't have to tell you so

So why'd they call it falling?  
You've turn my whole world around  
So why'd they call it falling?  
Down, down, down such a long way down

Yesterday's gone  
Tomorrow's so far away  
This moment in time  
Is no place I'd rather be

I feel safe in your arms  
When you're just a breath away  
I could take on the world  
N'you mean so much to me

So why'd they call it falling?  
You've turn my whole world around  
So why'd they call it falling?  
Down, down, down  
Such a long way ...

Do I go with my head?  
Follow my heart?  
Make a new life?  
Make a new start?

So why'd they call it falling?  
You've turn my whole world around  
So why'd they call it falling?  
Down, down, down  
Such a long way down

So why'd they call it falling?  
You've turn my whole world around  
So why'd they call it falling?  
Down, down, down  
Such a long way down
