I'm Just A Boy

Terminal Choice

I wanna know if you really like me, baby
I wanna know if you really love me, baby
I wanna know if you really want me, baby
I wanna know if you really fuck me, baby

I'm just a boy
And I'm not so pretty, not like you
I'm just a boy
And I'm not to fall in love like you
I'm just a boy
And I'm not so pretty, not like you
I am just a big fat asshole
I can hurt you like you do (to me)
