

No escape

Terminal Choice

look in my eyes
what do you see
can't you see the anger
the anger in me

look in my eyes
what do you see
can't you see the anger
can't you see the hate
can't you see the sorrow
can't you see the tears

there's no escape no escape
from this fear inside of me
there's no escape no escape
from this pain
there's no escape
from this sickness in me
there's no escape
from my end
