Entourage by the reservoir, they're gonna test drive that new sports car,
Meet around midnight less people around, cut the alarm so there isn't a sound.

You know damn well, you know damn well what (4x)

The dogio and the catio are fighting on the patio,
The neighbours need a hero 'cos someone's had their stereo.

You know damn well, you know damn well what (4x)

Entourage by the reservoir, gonna test drive that new sports car,
Meet around midnight, there's no-one around,
cut the alarm so there isn't a sound.

You know damn well, you know damn well what
