

Lubbock Woman

Terry Allen

Well
She's sittin'' in the front room
Just watchin the tv
Paintin' her nails red
In a black negligee
She just teased up her new wig
Painted her eyelids blue
Yeah
She's out to win
But she's destined to lose
Too much rouge
Too much booze
Too many movie magazines
Too many high-tones
Makin' fun of her
And the way she lives
Too many low-lives
Makin' her promises
They'll never give
But she's a diamond in the wilderness
Ah
Sweetheart of the West
Yeah
She ain't so good lookin'
But she can make love with the best
'Cause
She's forty
An lonely
An raw
An raunchy
An has a good heart
Yeah
An has a good heart
She's a Lubbock Woman
You got to love that woman
