

# Perfect World

Tevin Campbell

Love makes the world go round  
But the world is slowing down  
It's such a stormy place  
Standing  
I'll shake the ground  
Gonna take a look around  
Then I saw your face, oh

Since I met you  
It's such a perfect world  
What a boy and girl can't find  
What they need to do for a life of love  
Such a perfect world  
It's mine  
It's a perfect world

I had to spread the news  
I finally got my dancing shoes  
Now I realized  
Just take a different view  
Just comes shining down on you  
Let's open up our eyes

Since I met you  
It's such a perfect world  
What a boy and girl can't find  
What they need to do for a life of love  
Such a perfect world  
It's mine  
It's a perfect world

Sunshine and flowers  
Ain't nothing gonna stop the way we feel  
We've got the power  
Yes, we do

Love makes the world go round  
Love turned you upside down  
Love across a million miles  
No chance I won't take  
When my feet are on the brake  
With you here by my side

Since I met you  
It's such a perfect world  
What a boy and girl can't find  
What they need to do for a life of love  
Such a perfect world  
It's mine  
It's a perfect world
