

She's All That

Tevin Campbell

I watch her every day
As she goes walking by
She never talks to me
She's just a little shy

She's all that
She's all that
She's all that

Sometimes she smiles at me
But then she looks away
Distance is breaking
Getting closer every day
I've tried to get you off of my mind
But the motions gets me every time
Don't know what I'm gonna do

She's all that
She's all that
Girl gonna hook me to the groove
She's all that
She's all that
Girl gonna hook me to the hook me to the
hook me to the groove

All of the other guys
They try to take their time
She never looks at them
How can I make her mine

She's all that
She's all that
Open up the way through
To get me to your heart

Tell me what I can do
The girl pulls me apart
I've tried to get you off of my mind
Oh baby
Oh baby
But you girl
You get me every time
I don't know what I'm gonna do

She's all that
She's all that
Girl gonna hook me to the groove
She's all that
She's all that
Girl gonna hook me to the hook me to the
hook me to the groove

Kick it
What's up man -- yo
T is in the house and I'm about to bust
Around in your face boy

When you find a girl like the one
I found
Well there ain't no point in looking around
'Cause if her love is true and she really cares
Well it's all that and it's everywhere

She's got the ways and mean
to drive the fellas wild
But she's afraid to be
used up and pushed aside
Just put your trust in me

There's nothing in won't do
Oh baby talk to me
There's so much I can give to you

I tried to get you off of my mind
Yes I have
But you Girl , you get me every time
There's nothing I can do

She's all that
She's all that
Girl gonna hook me to the groove
She's all that
She's all that
Girl gonna hook me to the hook me to the
hook me to the groove
