

# Feel Berlin

The 69 Eyes

Do you like concrete agony Kreuzberg on Saturday?  
Tell me baby what you need  
There's the Zoo alive as the city sleeps tonight  
Eternal divided dream

Going down to Potsdamer singing Checkpoint Charlie blues  
The 70's brought Bowie baby  
Do what you do

You gotta feel Berlin  
Baby yeah  
You gotta feel Berlin  
Baby yeah  
You gotta feel Berlin

Do you like punk rock mutiny rock 'n' roll depravity?  
Tell me baby what you need  
Boys keep swinging Wild At Heart until the morning  
Let this city baby set you free

Going down to Potsdamer singing Checkpoint Charlie blues  
The 70's brought Bowie baby  
Do what you do

You gotta feel Berlin  
Baby yeah  
You gotta feel Berlin  
Baby yeah

Just life that's what it is  
Don't be afraid of an angel's kiss  
Just life that's what it is  
Don't be afraid of  
A criminal kiss

going down to potsdamer singing Checkpoint Charlie blues  
The 70s brought bowie boy  
Do what you do

You got to feel Berlin  
Baby  
You got to feel Berlin  
Yeah Baby
