

Hard To Be You

The 88

Day two made you
I could hear the sign
Fall down way down

I would never lie
I know it's hard to be you
Dust and the high that you knew

Giving you hope from the sign
I know everything's fine
Give me something I don't ever own

Look down way down
I can hear the moan
I know it's hard to be you

Dust and the high that you knew
Leaving you hope from the sun
I know everything's fine

Got no life
Wait for voice to realize my mind
Break out make out

Everything is mine
I know it's hard to be me

Drug from the line in the sea
Doesn't it offer the
Doesn't it offer the

I know everything's changed
