Day two made you I could hear the sign Fall down way down

I would never lie
I know it's hard to be you
Dust and the high that you knew

Giving you hope from the sign I know everything's fine Give me something I don't ever own

Look down way down
I can hear the moan
I know it's hard to be you

Dust and the high that you knew Leaving you hope from the sun I know everything's fine

Got no life Wait for voice to realize my mind Break out make out

Everything is mine
I know it's hard to be me

Drug from the line in the sea Doesn't it offer the Doesn't it offer the

I know everything's changed
