

Well I want to know
Would you find the time
Show me your glow
Sight for the blind

Cause I'm all alone
And I'm so afraid
Don't let me go
Stay

When I want to stare
You swear at my eyes
When I tell you how I really care
You say I'm not surprised

But I never loved
Things I should say
Don't let me go
Stay

Cause I'm all alone
And I'm so afraid
Don't let me go
Stay

Cause I'm [?]
All I should say
Don't let me go
Stay
Stay
Stay
