

Do What You Want

The Absence

Hey do what you want, but don't do it around me.
Idleness and dissipation breed apathy.
I sit on my ass all goddamn day,
A misanthropic anthropoid with nothing to...

Say what you must, do all you can,
Break all the fucking rules and
Go to Hell with Superman and
Die like a champion, yeah hey!

Hey I don't know if the billions will survive,
But I'll believe in God when 1 and 1 are 5.
My moniker is man and I'm rotten to the core.
I'll tear down the building just to pass through the door.

So do what you must, do all you can,
Break all the fucking rules and
Go to Hell with Superman and
Die like a champion, yeah hey!
