

Battlefield W1

The Adicts

Battlefield W1
I can't tell what going on
The battle is on and I am in
Battlefield W1

Un these dangerous times
So much on my mind
I'm a one man brigade
But I'm not afraid
What am I to do
What its coming to

Battlefield W1
I can't tell what going on
The battle is on and I am in
Battlefield W1

Got to be a contender
Not a great pretender
Who's the enemy, who's the enemy
In these dangerous times
Trouble on my mind
My world war is on
Its battle one on one

Battlefield W1
I can't tell what going on
The battle is on and I am in
Battlefield W1

In these dangerous times
So much on my mind
How can this be won
On the battlefield without a gun
