

# Stop the World (I Wanna Get Off)

The Adicts

You'll like it, you'll love it  
I hate it  
Too

I get up everyday  
Some old things  
Some old ways  
Throw in the kitchen sink  
With a little bit of war and peace  
No matter what I say  
No matter what I hear  
Can't take it anymore

Stop the world I wanna get off  
Stop the world I wanna get off  
Stop the world I wanna get off, with you  
With you, with you, with you

You'll like it, you'll love it  
I hate it  
Too

With you by my side  
Let's go on a ride  
And turn another page  
Of the book we wrote  
I'm spinning round and round  
No feet on the ground  
Get me of this fairground ride  
Can take it anymore

Stop the world I wanna get off  
Stop the world I wanna get off  
Stop the world I wanna get off, with you  
With you, with you, with you (x3)

You'll like it, you'll love it  
I hate it  
Too (x5)
