

Let's Talk About Me

The Alan Parsons Project

Let's talk about me for a minute
Well how do you think
I feel about what's been going on
Let's talk about me for a minute
Well how do you think
I feel about what's gone wrong

Let's talk about dreams
I never learned to read the signs
Let's think about what it all means
I never seem to have the time

Let's talk about you and your problems
All that I seem to do is spend the night
Just talking 'bout you and your problems
No matter what I say I can't get it right

Don't think about dreams
Is it all a waste of time
Don't think about what it all means
If you are a friend of mine

Talk about me, for a minute
I'm the one who's losing
Talk about me, for a minute
I'm the one who's always losing out

And how do you think
I feel about what's been going on
Let's talk about me for a minute
Well how do you think
I feel about what's gone wrong

Let's think about dreams
We never seem to have the time
Let's think about what it all means
If you are a friend of mine

Let's talk about me
I'm the one who's losing out
I'm the one who's losing out
I'm the one who's losing out, losing out

Talk about me, for a minute
I'm the one who's losing
Talk about me, for a minute
I'm the one who's always losing out
