

So What

The Almost

Where do you wanna go?
Where do you wanna go?
Where do you wanna go?
Where do you wanna go?
Aww yeah!

It doesn't matter what you do anymore
'Cause I'm okay, I'm okay
It doesn't matter if you said it before
'Cause I'm okay, I'm okay

And I don't think you know me
I don't think you care about who I am or who I'm not

So what if I don't give a care?
Who you think I really am
Never ever understand
So what, so what
So what if I don't know who I'm?
What if I don't even try?
What if I don't care enough?
So what, so what, so what, so what

So what if you know all my worst mistakes
Well I'm okay, I'm okay
So what if all the promises I break
Well I'm okay, I'm okay

And I don't need no reasons
I change like the season
I've worked for everything I've got

So what if I don't give a care
Who you think I really am
Never ever understand
So what, so what
So what if I don't know who I am?
What if I don't even try?
What if I don't care enough?
So what, so what, so what, so what

So what if all my worst mistakes
Every single cut and break
Every stupid choice I make
So what

So what if I don't give a care
Who you think I really am
Never ever understand
So what, so what
So what if I don't know who I am?
What if I don't even try?
What if I don't care enough?
So what, so what, so what, so what
