

Alone Again

The Andrews Sisters

Alone once again,
More alone than I don't know when!
No words of tenderness,
No love, no happiness!

Oh what I'd give
To hear you call my name;
I just can't live,
My darlin', knowing I'm to blame!

Knowing you'd still be by my side
If my heart had counted to ten,
Now I'm alone, all alone again!

Oh what I'd give
To hear you call my name;
I just can't live,
My darlin', knowing I'm to blame!

Knowing you'd still be by my side
If my heart had counted to ten,
Now I'm alone, all alone again!
Now I'm alone, all alone again!
Again!
Again!
Again!
Again!
Again!
