Rhumboogie

The Andrews Sisters

All Harlem's got a brand new rhythm And it's burning up the dance floors Because it's so hot. They took a little rhumba rhythm, And they added boogie-woogie, And-a look what they've got:

Rhumboogie. Rhumboogie-woogie. It's Harlem's new creation With a Cuban syncopation -It's a killer.

Rhumboogie. Rhumboogie-woogie. The native rhythm haunts you, It's barbaric and it taunts you -It's a killer.

Just plant your both feet on each side, Let both your hips and shoulders glide, Then throw your body back and ride. There's nothing like...

Rhumboogie. Rhumboogie-woogie. In Harlem or Havana You can kiss the old Savanna It's a killer.

Oh, beat me daddy, eight-to-the-bar. Rhumboogie. Rhumboogie-woo-oogie. It's Harlem's new creation With a Cuban syncopation -It's a killer.

Rhumboogie. Rhu-umboogie-woo-oogie. The native rhythm haunts you, It's barbaric and it taunts you -It's a killer.
