

After the Rain

The Angels

Who lies on sheets of ice
Who pays for paradise
After the rain
After the rain
Who suffers fools and freaks
Who hangs in guilty cliques
After the rain
After the rain

Somebody save me
The water's rising
Sweet Jesus take the blame
Who knows whose star is falling
After the rain
After the rain

Who took the gold from their teeth
Who takes the ancient masterpiece
After the rain
After the rain
Who throws the winning dice
Who lies beneath the ice
After the rain
After the rain

Somebody save me
The water's rising
Sweet Jesus take the blame
Who knows whose star is falling
After the rain
After the rain

Somebody save me
The water's rising
Sweet Jesus take the blame
Who knows whose star is falling
After the rain
After the rain

After the rain
After the rain
After the rain
