

Fashion and Fame

The Angels

Tonight, nobody came - fame, fashion
Dream, of yesterday - fame, fashion
Fashion & Fame
Nobody came tonight, empty seats tonight
Somebody said, "They'll be here tomorrow".
You where a high-flying whirlwind
Talk of the town
Lost in the heat of the flame
Had a lover in Paris, pad in New York
That's the shifting, changing, shattering world
Of fame, fashion - Fashion & Fame
Darling of the hip-set, out of control
Victim of pleasure & pain
Dance to please - love in threes
In the shifting, changing, shattering world
Of fame, fashion - Fashion & Fame.
They're taking photographs of you
And the style of things to do
Fashion & Fame.
