

Crooked Crown

The Anniversary

Oh, until tomorrow, I wear this crooked crown
To balance the power Telling me to dance the night away, now
Dance the night away oh oh oh yeah
I wear this crooked crown

Come close, you've never been so far away my dear
Move your hips, pretty darling - Oh Sugar come on
Shake your hips, pretty darling - Oh Sugar come on

Until tomorrow, I wear this crooked crown
Under the moonlight
Asking me to raise the dead, uh oh oh
Raise the dead, uh oh oh oh oh yeah
I wear this crooked crown

Come close, you've never been so far away, my dear
Move your hips, pretty darling - Oh Sugar come on
Shake your hips pretty darling
Move your hips, pretty darling - Oh Sugar come on
Shake your hips, pretty darling

Oh sugar why you wanna go and start this war?
Why you wanna go all alone?
Why you wanna go and start this war?
Why you wanna go all alone?
Why you wanna go and start this war?
Why you wanna go?

Move your hips, pretty darling - Oh Sugar come on
Shake your hips, pretty darling - Oh Sugar come on
Move your hips, pretty darling - Oh sugar come on
Shake your hips pretty darling - Oh Sugar come on
Oh come on, oh come on, oh come on
Oh Sugar come on, oh come on, oh come on
Oh Sugar come on, move your hips, shake your hips
Oh Sugar come on, oh come on oh come on
