## Aristocrat

The Answer

Aristocratic lady Would you tell me how you feel? Do you think that you're above us? Do you want us all to kneel?

Aristocratic lady Will you stay at home today? If you ever learn how to drive that car You can take us all away

I'm ready to pay I am ready I am ready Lead me to riches today

Aristocratic lady You're a jewel in the crown You're a cover for the season Would you put the camera down?

You can take your pretty pony Ride into the night You know that I would join you honey But my image isn't right tonight

And I'm ready to pay I am ready I am ready Lead me to riches today

Lead me to riches Lead me to riches

Aristocratic lady I love it when you bite I feel like I've been crowned An aristocrat tonight

I'm ready to pay I am ready I am ready

I am ready I am ready Lead me to riches today
