

Battle Cry

The Answer

You are lightning on a static sky
And I can't contain this feeling
This day is all the time we need to know
This day is all the time we need to know
Which way the world is leaning

You are the lightning
A storm across the mind
You are the battle cry
When I would fall behind
And you burn so bright

I know that no-one is invincible
This world could fall around me
But you are an anthem on the radio
You are an anthem on the radio
And I hear your voice resounding

You are the lightning
A storm across the mind
You are the battle cry
When I would fall behind, far behind
And you burn so bright
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
And you burn so bright
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá a thainig mo ghrá)
(Dóigheanntú go h'aoibhinn geal)
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)

I know that no one is invincible
I know that no one is invincible
This world cannot ignore us
This world cannot ignore us
This world cannot ignore us

You are the lightning
A storm across the mind
You are the battle cry
When I would fall behind, far behind
And you burn so bright, oh yeah
Yeah you burn so bright
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá a thainig mo ghrá)
(Dóigheanntú go h'aoibhinn geal)

(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá a thainig mo ghrá)
(Seo an Lá mo laoch mo ghrá)
(Seo an Lá)
