

Destroy Me

The Answer

So take your dagger, you can cut what you like, man
You know you're a bad man, so cut what you like
Release some vultures who will circle above you
When nobody loves you, they're circling over you

Try and destroy me
You'll never destroy us all

Do you believe, you're telling us who we are?
Do you really believe, that you're breaking me down?
Do you believe, that your strength is your guiding star?
I know you'll never destroy us all

We are the creatures you remove in the night time
[?] right, yeah, we move in the night
Kinetic motion, the invisible stranger
When nobody's [?]

Try and destroy me
You'll never destroy us all

Do you believe, you're telling us who we are?
Do you really believe, that you're breaking me down?
Do you believe, your strength is your guiding star?
I know you'll never destroy me

Rise up, we can start again
Rise up, we can start again
Don't look back again

Try and destroy me
You'll never destroy us all

Do you believe, you're telling us who we are?
Do you really believe, that you're breaking me down?
Do you believe, your strength is your guiding star?
I know you'll never destroy us all

You'll never destroy me
You'll never destroy me
You'll never destroy me
I know you'll never destroy
You'll never destroy us all
