

Somebody Else

The Answer

I watch my feelings reach silent crescendo
Drag my nails down the blackboard of teach yourself ego
Seems like every day I get a little more jaded
Though I dress to impress, I get stressed and downgraded

Don't be funny, just show me the money, save all your excuses f
or somebody else

(Somebody else)

I'm in a hurry and I start to worry, save all your excuses for
somebody else

Somebody else, somebody else

Emergency call coming through on my cell phone
Telling me nothing at all that I don't know
It's time to define there's no swing to your backbone

Don't be funny, just show me the money, save all your excuses f
or somebody else
