

Speak now

The Answer

It's hard when I justify not to sound like a fake
My heart knows the reason why in spite of the break
Words wound down but the hardest part is pretending that I care
Two sides of a rusty coin tossed high in the air

SPEAK NOW OR FOREVER HOLD YOUR TONGUE
SPEAK NOW OR FOREVER HOLD YOUR TONGUE
SPEAK NOW

It's hard not to tell the truth when I'm part of the lie
We're drowned out by the ebb and flow between the wrong and the
right
And I won't move with the changing times if I'm gonna slip away
We're two pawns in a bigger game, I don't wanna play

SPEAK NOW OR FOREVER HOLD YOUR TONGUE
SPEAK NOW OR FOREVER HOLD YOUR TONGUE

It's days like these I'm forever on my knees
It's days like these I'm forever on my knees

SPEAK NOW OR FOREVER HOLD YOUR TONGUE
SPEAK NOW OR FOREVER HOLD YOUR TONGUE
AHHHH SPEAK NOW, SPEAK NOW

It's days like these I'm forever on my knees
It's days like these I'm forever on my knees
Yeah yeah It's days like these I'm forever on my knees
SPEAK NOW
