

Thief of Light

The Answer

Wade home again
Reach far within

Watch the stars start to clear
Brand new day
The dawn is here
Freedom is coming
I heard the call
Thief of light will soon be gone

Gone
Go far away

All the times we had
All the times we lost
Stay a while
Stay a while
Open your doors again

Watch the stars fade away
Dawn is here
Here to stay
Freedom is coming
I heard the call
Thief of light will soon be gone
