

## Light Up

## The Avalanches

What a wonderful sight  
It just seems to be right  
That there's something to do  
For the rich people too  
So light up the hall  
There's dancing for all  
It's a world of fantasy

Doo doo doo doo doo  
It's a world of fantasy  
Doo doo doo doo doo  
It's a world of fantasy  
Doo doo doo doo doo  
Ba ba ba ba ba (Doo doo doo doo doo)  
It's a world of fantasy  
It's a world of  
It's a world of fantasy
