

# Never Been Alive

The Avett Brothers

Woah, money won't do the trick  
But it will help  
Woah, to open the doors we need it to  
To help someone else.

Still we won't need it  
To turn things around.  
I've never been alive, Woah.  
I've never been alive, Woah.  
I've never been alive like I am now.

Woah, you need only tell me  
When you're under the gun.  
Woah, if you need someone to lend a hand  
Consider it done.

Still you won't need me  
To turn things around.  
I've never been alive, Woah.  
I've never been alive, Woah.  
I've never been alive like I am now.  
Like I am now.  
Like I am now.  
Like I am now.
