

# All I Wanna Do

The Babys

Who am I to judge you?  
You say you gave me all you had  
I'll never understand  
Why you went away  
Now I'm pickin' up the pieces  
Tryin' to mend this broken heart  
When you lose someone  
It's hard to make them stay

Still triyn' to get by  
Make this empty house feel like a home  
Don't have you by my side  
Can't do this all alone

All I wanna do is make your love come alive  
All I wanna do is see your smile  
All I wanna do is make this pain go away  
All I wanna do is be with you

I think it's time to start things over  
Time to turn another page  
Sometimes you have to move on  
And get out of your wrong way  
We'll make times turn out different  
We'll walk towards brighter days  
And hand in hand  
We couldn't have it any other way

And now  
How I long to have you here with me?  
Make our music till the dawn  
You are my strength to carry on

All I wanna do is make your love come alive  
All I wanna do is see your smile  
All I wanna do is make this pain go away  
All I wanna do is be with you

We are put here for a reason  
Short times, long times  
Maybe only a season  
You gotta do the best you can  
Cause you might not get a second chance  
For that once upon a time feeling  
That makes you wanna dance, yeah

All I wanna do is make your love come alive  
All I wanna do is see your smile  
All I wanna do is make this pain go away  
All I wanna do is be with you

All I wanna do is make your love come alive  
All I wanna do is see your smile  
All I wanna do is make this pain go away  
All I wanna do is be with you

All I wanna, all I wanna, all I wanna do

Oh, baby all I wanna do  
All I wanna do  
I wanna be with you, yeah baby
