Silver Dreams

For the last year I've been searching I needed something to believe I'm a gambler With my fortune Trying to keep you up my sleeve When I'm away I fill my heart with Dreams I lose myself Keep my silver dreams of you Are you lonely Are you crying Are your tears for me When I come home And I touch you What will our eyes see? For the next year I'll be traveling Roads that take you far from me Time can take love Time can fade love I hope that you'll remember me When I'm away I fill my heart with Dreams I lose myself Keep my silver dreams of you I lose myself dreaming silver dreams I lose myself dreaming silver dreams Silver dreams Silver dreams Ahh...
