This must be Christmas, must be tonight

A shepherd on a hillside,
while over my flock I bide
Oh a cold winter night a band of angels sing
In a dream I heard a voice
saying "fear not, come rejoice
It's the end of the beginning, praise the new born king"

CHORUS:How...

I saw it with my own eyes,
written up in the skies
But why a simple herdsman such as I
And then it came to pass,
he was born at last
Right below the star that shines on high

CHORUS:How...
