Odds and Ends

The Band

I stand in awe and I shake my face You break your promise all over the place You promised to love me but what do I see Just you comin' and spillin' juice over me

Odds and ends, odds and ends Lost time is not found again

Now, you take your file and you bend my head
I never can remember anything that you said
You promised to love me but what do I know
You're always spillin' juice on me like you got someplace to go

Odds and ends, odds and ends Lost time is not found again

Now, I've had enough, my box is clean You know what I'm sayin' and you know what I mean From now on you'd best get on someone else While you're doin' it, keep that juice to yourself

Odds and ends, odds and ends Lost time is not found again
