

# To Kingdom Come

The Band

... to kingdom come  
Sadly told his only son  
"Just be careful what you do  
It all comes back on you"

False witness spread the news  
Somebody's gonna lose  
Either she or me or you  
Nothing we could do

So don't you say a word  
Or reveal a thing you've learned  
Time will tell you well  
If you truly, truly fell

Tarred and feathered, yeah  
Thistles and thorns  
One or the other, he kindly warns

Now you look out the window  
Tell me, what do you see?  
I see a golden calf pointing back at me

I been sitting in here for so darn long  
Waitin' for the end to come along  
Holy roaster on the brink  
I take a chance, swim or sink

False witness, cast an evil eye  
Said I cannot tell a lie  
... and saints don't bother me  
I'm not alone you see

Don't you say a word  
Or reveal a thing you've heard  
Time will tell you well  
If you truly, truly fell

Tarred and feathered, yeah  
Thistles and thorns  
One or the other, he kindly warns

Now you look out the window  
Tell me what do you see?  
I see a golden calf pointing back at me
