

Who Do You Love?

The Band

Ever since time began
Man loves the woman
Woman loves the man

This is the way
It was meant to be
Through the pages
Through the books of our history

You, you, you
Who do you love, who do you love, who do you love, now,
You, you, you
Who do you love, who do you love, who do you love

One and one and one are three
I love you
Do you love me
This is the place now is the time
Give me your love
And I'll give you mine

You, you, you
Who do you love, who do you love, who do you love, now,
You, you, you
Who do you love, who do you love, who do you love

This is simple
And it's true
There's a shining light
All around you
You're the one
You're the fire
You can make it higher and higher

This is the place now is the time
Tell me now darlin' will you be mine

You, you, you
Who do you love, who do you love, who do you love

Put your arms around me
Ahhh
Hold me tight
Ahhh
Cuddle up darlin'
Ahhh
In the sill of the night
Ahhh
You are the one
Ahhh
That I adore
Ahhh
You are the one
That I love so

This is the place now is the time
Tell me now darlin' will you be mine

You, you, you
Who do you love, who do you love, who do you love, now,
You, you, you
Who do you love, who do you love, who do you love, now,
You, you, you
Who do you love, who do you love, who do you love, now,
You, you, you
Do you love me
Do you love me
Do you love me now
You, you, you
Who do you love
who do you love
who do you love.
