

# You Know I Love You

The Band

You know I love you, baby  
You know I love you, baby  
You know I love you, baby  
But you don't even know my name

Listen to me, baby  
I tell you what I would do  
Note I would rob, steal, kill somebody  
Just to get back home to you

You know I love you, baby  
You know I love you, baby  
You know I love you, baby  
But you don't even know my name

Listen to me, baby  
I tell you what I would do  
Lord, they could drop me in a ocean  
Lord, I swam to the bank  
And crawl home to you

You know I love you baby  
You know I love you baby  
You know I love you baby  
But you don't even know my name

[Incomprehensible] baby  
And bury me like a do  
Our body made love  
[Incomprehensible]  
Come home to you

You know I love you baby  
You know I love you, baby  
You know I love you, baby  
But you don't even know my name

You don't even know my name  
You don't even know my name
