

# Too Hot To Stop

The Bar-Kays

Yeah, hey, hey  
Oh, yeah

I'd been having my  
Eyes on you for awhile  
Girl, it's something about your act  
And I sure do like your style

Maybe it's the way  
That you carry yourself  
Maybe it's the way  
That you wear your hair

You move with the feeling  
And you sure know how  
Girl, I'm out to get your love  
And I'm too hot to stop now

Yeah, yeah, yeah.....

I don't mind if I'm considered uncool  
Cause I believe to each his own  
I don't play that rule

When you find the special one  
That really turns you on  
You owe it to yourself to try  
Cause soon they might be gone

Getting next to you  
Is what I want to do  
Girl, I wanna get it somehow  
Cause I'm too hot to stop now

Yeah, hey, hey, yeah

Getting next to you  
Is what I want to do  
Getting next to you  
Is what I want to do

Getting next to you  
Is what I want to do  
Getting next to you  
Is what I want to do

Yeah, hey, hey, yeah
