

# Be Glad To Me

The Bates

Be glad to me

I wanna do, do, do  
What I want to do  
I wanna do, do, do  
It comes up to you  
Oh yeah  
Oh yeah

I wanna go, go, go  
Where I like to go  
I wanna go, go, go  
Do my rock 'n' roll  
Oh yeah  
Oh yeah

A rocky life is so hard to find someday  
Be glad to me  
That there is happiness, easyness, crazyness  
All along my way

Don't tell me now, now, now  
What you want me to be  
Don't tell me now, now, now  
About my career  
Oh no  
Oh no

Don't treat me bad, bad, bad  
Just to bring me down  
Don't treat me bad, bad, bad  
When I am around  
Oh no  
Oh no

A lucky life is so hard to find someday  
Be glad to me  
That there is happiness, easyness, crazyness  
All along my way

I wanna do, do, do  
What I want to do  
I wanna do, do, do  
It comes up to you  
Oh yeah  
Oh yeah  
I wanna go, go, go  
Where I like to go  
I wanna go, go, go  
Do my rock 'n' roll  
Oh yeah  
Oh yeah

A lucky life is so hard to find someday  
Be glad to me  
That there is happiness, easyness, crazyness

All along my way
