

My Latest Mistake

The Beautiful Girls

here is my latest mistake
seems i confess every day
and, lately nothing has changed

but i just want to let you know
i'll be sorry if you go,
away

here is the day that we slide
down this mountain side
this life there's nowhere to hide

and i don't want to let you go
maybe we could just go home?

this waiting's too much
how i wish my heart was strong enough
now look what we've done
we're so far away from where we begun
i'd hold you so close but i'm too scared to hope
that we could maybe be ok
that's too much to change,
but anyway
let's just get through tonight
let's just get through
