Spare Parts

The Berzerker

Watching the mind Destroyed I'm disheartened Resigned to drop dead (It) Begins in my grave

Face me, face to face I've lots to tell you I've known for years about this Those who walked away Shaped their minds for nothing

Looking, searching for my body parts Viewing you all from a place not so far A small warning I did not sign up for this What have you done? To what was once me

Looking, searching for my body parts Viewing you all from a place not so far A small warning I did not sign up for this What have you done? To what was once me
