

Undone

The Bird and the Bee

Ooooh Oh
Ooooh Oh
Ooooh Oh
Ooooh Ohh

Is today just another day?
Just like any other day?
Or are we going to change its mind
Kick around like we've got mountains of time
Won't you come and sit down?
Yes, right here on the ground
Tell me the story of how we met
Not that I'd ever let you forget it

I want to be yours
I want to be ours
I want to do stuff in the back of your car
I want to be good
I want to be cruel
I want to be the girl that you wanted in high school
I want to be mild
I want to be clever
I want to feel this way forever
I want to be the one
I want to be the one
I want to be the one that makes you come undone

Ooooh Oh
Ooooh Oh
Ooooh Oh
Ooooh Ohh

You can make me feel like a girl
Just shut out the rest of the world
Lay your head on my heart
Or you can just pull my body apart
Is today just another day?
Just like any other day?
I think we just changed its mind
We've got piles of times

I want to be yours
I want to be ours
I want to do stuff in the back of your car
I want to be good
I want to be cruel
I want to be the girl that you wanted in high school
I want to be mild
I want to be clever
I want to feel this way forever
I want to be the one
I want to be the one
I want to be the one that makes you come undone

Ooooh Oh
Ooooh Oh
Ooooh Oh

Ooooh Ohh

I want to be yours
I want to be ours
I want to do stuff in the back of your car
I want to be good
I want to be cruel
I want to be the girl that you wanted in high school
I want to be mild
I want to be clever
I want to feel this way forever
I want to be the one
I want to be the one
I want to be the one that makes you come undone

Ooooh Oh
Ooooh Oh
Ooooh Oh
Ooooh Ohh
